Congratulations on fulfilling your degree requirements. The Department of History continues to support students post graduation via recommendations, employment references and sometimes job opportunities, so it is important that we keep updated on your academic and career progress. If you would like to participate in an exit interview, please email me for an appointment or stop by the office.

Please complete the form below and return it to the graduate program office at [history@uga.edu](mailto:history@uga.edu). After final exams and the grade submission deadline, please return any building or office keys that you may still have at the end of the current academic term, to the Rm. 220 Main Office in LeConte Hall, or to Will White in Rm. 202.

It has been a pleasure to have you in the program in history.

*Sincerely,*

*Jennifer L. Palmer*
